Dear Police Chief,

I live next to a grow op. This is obvious to me and any other person who has walked down our street. Why do you raid other grow ops that are less noticeable? Is my neighbour related to you or someone else in the administration? Or is it because several cops visit my neighbour regularly? [Should I mention Kenneth? His explanation is to de-stress – seriously?]

[Needs to be more professional – yet still show anger – might need help from Danielle.]

Dear Artists of the Future,

Thank you for your support when I was starting as an artist. Without your help, I would not have my recent success. I'm planning to change my will and would like to know about leaving my estate to your endowment fund.

Feel closer to artists. No family who supported me or currently in my life that deserve my money.

REMINDER: BC HYDRO

NEED to collect:

1. recent bills, showing the dramatic increase in energy use after Andrew moved in.
2. Andrew's bills recovered from his garbage
3. communication with Andrew about him stealing energy
4. website showing energy use to find grow ops

Remember to dress well! Should I flirt with rep?
